

# FINANCIAL AID *at a glance*

ST. JOSEPH'S COLLEGE OF NURSING

at St. Joseph's Hospital Health Center, Syracuse, New York

## Financial Assistance Options

Finding your way through the maze of financial aid information can be difficult. Below is a list of some of the financial aid options available. You can find more detailed information for each of these options, including waivers, policies, regulations and procedures, in our catalog and on our website, [www.sjhcon.edu](http://www.sjhcon.edu).

In addition to what is listed here, many local and civic organizations sponsor educational scholarships/awards. Check your local library or online for more information. Students and parents should also check with employers for financial assistance programs. We encourage students to apply for any outside grants or scholarships for which they may be eligible. All awards and scholarships should be reported to the financial aid office.
