

ST. JOSEPH'S COLLEGE OF NURSING

UNIFORM INFORMATION

The required uniform consists of a khaki scrub top with the St. Joseph's College of Nursing logo embroidered on the left upper chest of the uniform top and navy-blue pants.

The SJCON dress code policy regarding footwear: "All footwear must be clean and safe. Flip-flops, thong sandals, and any open toed footwear is unacceptable. Students must wear socks or stockings and closed toed shoes. They may not wear shoes with holes on the top such as Crocs or orthopedic boots with the open toe." Students should have a separate pair of footwear designated for clinicals/working in the hospital. Be sure that your footwear is washable should any fluids contaminate them.

A shirt (solid color of the scrub or white) may be worn under the scrub top. Optional: khaki color (same as scrub) warm up jacket.

When involved in clinical preparation or observational experiences, scrub attire and identification badge must be worn.
