

# ST. JOSEPH'S COLLEGE OF NURSING

## TEXTBOOK & SUPPLIES

The SJCON course material is taught in a way that gradually builds upon concepts, this requires students to use multiple textbooks during every course. Students can buy or rent all six books at the beginning of the program. If you plan on renting, consider the length of time, and opt for an 18 or 24-month lease depending on your program. The SJCON Nursing Library has a certain number of copies of the recommended textbooks, which can be borrowed and used as references for studying. **Please note that availability is not guaranteed due to the concurrent attendance of 4 other cohorts at SJCON.**
